

BOOSTER

ADVANCED RENEWAL SERUM

40% S²RM®

An age-defying serum, NeoGenesis Booster provides an advanced level of skin support while hydrating and calming the skin. This nutrient-rich serum uses S²RM® technology plus potent antioxidants, peptides, and other molecules to improve the appearance of mature, aging skin.

SIZES: 5mL, 15mL, 30mL

(size offerings may vary)

PRODUCT BENEFITS

- Reduces the appearance of all signs of aging
- Calms and soothes rosacea and skin irritation
- Replenishes hydration levels in the skin
- Improves the look of skin tone and texture
- Oncology friendly

DIRECTIONS

After cleansing, apply to the face, neck, and décolletage. Massage into skin AM and/or PM daily. May be used after NeoGenesis Recovery for additional protection and hydration.

Keep out of eyes. For external use only.
