

LACTIC ACID PEEL

20% | pH 3.0

PROFESSIONAL USE ONLY

Suitable for patients with sensitive skin, dehydration, fine lines, hyperpigmentation, and clients who are new to peels. Lactic acid is also ideal for those seeking to improve skin texture and radiance without the harshness of stronger peels.

SIZES: 60mL

PRODUCT BENEFITS

- Promotes skin renewal through mild exfoliation
- Reduces the appearance of fine lines and wrinkles
- Balances skin tone for a more even looking complexion
- Boosts skin hydration and helps combat dryness
- Can be used on all skin types

DIRECTIONS

Follow the steps outlined in the [Lactic Acid Peel Protocol](#) sheet.
