### PRODUCT HIGHLIGHTS

#### Skin Serum

Designed as a daily regimen serum, Skin Serum proactively supports skin health while addressing visible signs of aging. This lightweight formula features glycerin, a powerful natural moisturizing factor, to help hydrate, rebalance the skin's microbiome, and support barrier integrity.

#### Barrier Renewal Cream

With a replenishing blend of skin native lipids including ceramides, fatty acids, and cholesterol, Barrier Renewal Cream fortifies the barrier, restores hydration, and minimizes moisture loss to keep post-procedure skin balanced and comfortable.

### BENEFITS

#### Hydration + Comfort

Helps replenish moisture to keep skin feeling comfortable and supported post-treatment.

#### Barrier Support

Reinforces the skin barrier to minimize moisture loss and promote visible balance.

#### Daily Maintenance

Supports skin health with gentle, daily care to help extend and enhance visible results.
